

### Acts Due at Marineland

That bigger and better "names" in the musical world are being brought to the South Bay area is attested to by this week's announcement from Marineland Restaurant in Palos Verdes that owner George M. Foster has lined up the greatest array of talent to ever entertain in the dining establishment's "Porpoise Room."

Seven star-studded groups, all with outstanding show business names, have been signed by Foster to follow the current attraction, Ish-Kabibble and "The Four Pro's & Connie." In

line with this top-flight entertainment policy, the spring-summer-fall season will find the following artists performing at the Marineland Restaurant:

Rosy McHargue and his Dixieland Band, opening April 8; Frankie Ortega and his Trio, opening May 13; Meri-Ellen and Her Coherts, opening June 10; Matt Dennis opens July 22; The Gallions and The Jenny Quartet, opening Aug. 12; Red Nichols and His Five Pennies, opening Sept. 9; and Page Cavanaugh and his Trio, opening Nov. 4.

### Big Anniversary Sales Under Way At Fox Markets

Celebrating another year as the "fastest growing chain in Southern California," Fox Markets is using the entire month of April, its own anniversary month, to shower customers and friends with special values, according to Eldon Griffiths, manager of the local store at 1321 Post Ave.

In addition to special price features for the entire month, prizes will be distributed in each of the 28 markets. Included on this list are Morse Zig-Zag sewing machines, electric deep fryers and bushel baskets of groceries. It is not necessary to be present at the drawings, which will take place on April 26; all that is required is registration at any one of the Fox Markets. Names of winners will be announced.

According to an official spokesman for the company, the organization had its "beginning" less than four years ago with two markets.

The markets now are doing an estimated \$80 million a year volume, serving a half million customers per week, with outlets stretching from Ventura to Long Beach, the San Fernando Valley and Antelope Valley. Just a few months ago purchase of the entire Roth and Metrick market chains was completed, and plans already have been set for an additional four new supermarkets, in Woodland Hills, Compton, Lynwood, and Boron.

The Fox merchandising policy of low prices, huge selection, plus S&H Green Stamps, has made Fox Markets a favorite shopping center in every community.

### 'Unreality' Named Topic

Biblical accounts of the conflict between good and evil and of the eventual triumph of good are discussed in the Easter Sunday lesson-sermon titled "Unreality" to be read in all Christian Science churches on Sunday.

The Golden Text from Job (35:13) pinpoints the subject: "Surely God will not hear vanity, neither will the Almighty regard it."

Mary Baker Eddy, founder of the Church of Christ, Scientist, and author of the text-

book, "Science and Health with Key to the Scriptures," in a statement read during the service says, "In moral chemicalization, when the symptoms of evil, illusion, are aggravated, we may think in our ignorance that the Lord hath wrought an evil; but we ought to know that God's law un-

covers so-called sin and its effects, only that Truth may annihilate all sense of evil and all power to sin" (p. 540).  
From Isaiah (45:17) will be heard the assurance, "But Israel shall be saved in the Lord with an everlasting salvation: ye shall not be ashamed nor confounded world without end."

## FINAL WEEK!

VIRGIL HANCOCK

We the Committee for Virgil Hancock, which consists of Homeowners and Businessmen, would like to thank all of you people — from professional men to housewives, who have so earnestly contributed your support. The letters, phone calls and monetary support have meant more to Virgil Hancock than words can say. Obviously, you people are aware that he is an honest candidate of great integrity and dependability. He has the privilege of being one of the candidates nominated for the office of City Councilman.

His simplicity and humility has been an endearing quality to those who know him. His intentions are to have an honest, clean and economic City Government. Virgil Hancock believes in fair play and will never under-sell his position, if elected Councilman. And should he be elected, he will commit himself to one promise and that is:

Any major issue which may arise, the Homeowners Organizations will be contacted and he will appreciate their opinions and suggestions and to the best of his ability, he will carry out their intentions.

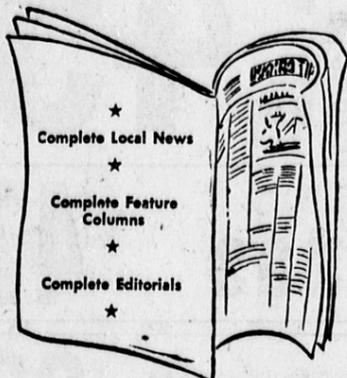

Torrance is growing every day and with proper leadership, we feel it will be a city of the people and one of which we can be proud. Dictatorships have been proven to be unhealthy and disastrous, but that is what happens when a Government is taken over by a select few. Don't let this happen to us, let the people express their views and help create them. Let's not hide two of the greatest assets our Forefathers left us — Freedom of Speech and Freedom of the Press. Make Democracy work.

His great concern for the youth of Torrance is self-evident in that he and four businessmen are financing, from their own earning, a Rod & Gun Club, Ski Club and Archery Club. But, he is NOT content to occupy the time and minds of the minority and feels we should act now to create interest for our youth. Busy hands create happy minds and we want our children to grow into strong, healthy, well adjusted adults.

Virgil Hancock has never sung his praises nor smeared his opponents even when campaigning has become highly competitive. He is a sincere, intelligent man who feels if he can't be voted in on his own merits — he wouldn't be capable of handling the job.
